

# PROFESSIONAL EDUCATION SHORT PROGRAMS

---

Georgia Tech Professional Education (GTPE) offers professional development courses, certificates, and bootcamp programs to career-focused adults in STEM and business fields worldwide.

Whether you are upgrading your skill set, sharpening your expertise, or future-proofing your career, our short programs are designed to position you to deliver immediate workplace impact using knowledge and skills learned from Georgia Tech's faculty experts and each other.

We offer industry-specific courses, boot camps, and certificate programs that combine academic rigor with hands-on, practice training in demand by industry. Programs are available worldwide both online and on-site.

Programs are available in more than 15 subject areas such as data analytics, cybersecurity, defense technology, engineering, leadership, manufacturing, occupational safety and health, project management, and supply chain and logistics.
