

GRADUATE ADMISSIONS

Prospective students may obtain information and apply for admission via the Graduate Studies website (<http://www.grad.gatech.edu>). The site provides information regarding minimum admission standards and relevant deadlines for individual programs.

Applicants for Georgia Tech's graduate programs should hold a bachelor's degree from a regionally accredited institution and be able to demonstrate academic excellence. Students should also be able to demonstrate experience with their selected field of graduate studies such as an undergraduate degree in the field or work experience in a related job.
