

UNDERGRADUATE STUDY IN EARTH AND ATMOSPHERIC SCIENCES

Minor

- Minor in Earth and Atmospheric Sciences

Bachelor's Degrees

- Bachelor of Science in Earth and Atmospheric Sciences

Certificates

The School of Earth and Atmospheric Sciences offers programs of study for non-School majors leading to certificates in two areas of emphasis: geochemistry and solid earth geophysics. Each course must be completed with a C or better.

Additional information regarding undergraduate programs, the minor, and the certificate programs is available by contacting the EAS Undergraduate Coordinator
