

FEES

Paying Tuition and Fees

Tuition and fees are payable by the deadline published on the official Academic Calendar (<http://www.registrar.gatech.edu/home/calendar.php>) and on the Bursar's Office (<http://www.bursar.gatech.edu/content/bursar-calendar>) web page for each academic term. Registration is not complete until all charges are paid. The Institute reserves the right at any time during the semester to drop any student from classes for failure to pay his/her balance in full. In no case is a regulation waived or an exception granted because a student pleads ignorance of the regulation or asserts that he or she was not informed of it by an advisor or other authority. Students who owe the Institute money and have been placed on "Hold" because of failure to pay may have their account forwarded to a professional collection agency.

Payment may be made with cash (U.S. dollars); a check payable in U.S. currency and drawn on a financial institution located in the United States (checks must be made payable to "Georgia Institute of Technology" and have an encoded checking account number); or a cashier's check. MasterCard, American Express, and Discover (credit and debit), and WebChecks are accepted for online payments. Georgia Tech does not accept credit card payments directly for payment of tuition, fees, and room and board that appear on the student's account. Credit card payments can only be made via the Student Information System (<http://www.buzzport.gatech.edu>) and are processed by Georgia Tech's vendor. Credit card users are charged a service fee of 2.75 percent by the vendor for this service. A fee is not charged for WebCheck transactions. Credit and debit card payments cannot be made by mail, phone, fax, or in person.

Tuition and Fee Rates

The tuition and fees listed are estimates and are subject to change. These amounts should be used only as a planning guide for future payments. Tuition charges can vary based on state residency status and degree program of study. Residency status is determined by the Office of Admission at the time of acceptance. Students are either classified as a resident or nonresident of Georgia for tuition purposes in accordance with the regulations of the Board of Regents of the University System of Georgia. The most current information on tuition and fees is available at <http://www.bursar.gatech.edu/content/tuition-fees>.

Mandatory Student Fees

Published student fees are subject to change and should be considered estimates for use in planning future payments. Students registered for four or more credit hours in one academic term are charged all mandatory student fees which are due at the same time as tuition charges. Mandatory student fees are considered part of the registration process and must be paid in full for the student to be considered enrolled. The Student Activity Fee, Athletic Fee, CRC Operations Fee, Health Fee, Recreation Fee, Student Center Operations Fee, Special Institutional Fee, Technology Fee, and Transportation Fee are mandatory student fees used to provide cultural, social, and athletic programs for the entire student body. In addition, these fees provide financial support for student facilities at the Institute, guest speakers and lecturers, student publications, and many special events that are available exclusively for Georgia Tech students. These fees also assist in defraying shuttle costs for transporting students around campus. The Technology Fee supports the infrastructure necessary to provide students with the latest online

computing services technology. Students registering for fewer than four credit hours in one academic term are required to pay the Technology Fee, Transportation Fee, and Special Institutional Fee. See <http://www.bursar.gatech.edu/content/tuition-fees> for current information.

Late Registration Fees

Students who do not meet fee payment deadlines may incur penalty fees. If a student does not pay all required fees by the published fee deadlines (<http://www.bursar.gatech.edu/content/bursar-calendar>) registration may be cancelled. The late payment fee is currently \$100. If registration is cancelled, the reinstatement fee is \$200. Reinstatement is not guaranteed.
