Grades

• The letter grades used in the calculation of grade-point average (GPA) are as follows:

<table>
<thead>
<tr>
<th>Letter Grade</th>

</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent. Four quality points.</td>
</tr>
<tr>
<td>B</td>
<td>Good. Three quality points.</td>
</tr>
<tr>
<td>C</td>
<td>Satisfactory. Two quality points.</td>
</tr>
<tr>
<td>D</td>
<td>Passing. One quality point.</td>
</tr>
<tr>
<td>F</td>
<td>Failure. No quality points. If the course is required, the student must repeat it.</td>
</tr>
</tbody>
</table>

• The following grades are used under special conditions and are not included in the calculation of grade-point average (GPA):

<tbody>
<tr>
<td>S</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>U</td>
<td>Unsatisfactory</td>
</tr>
<tr>
<td>V</td>
<td>No credit earned. The &quot;V&quot; grade is used when a student audits a course.</td>

• The following grades are used in the cases indicated and are not be included in the calculation of grade-point average (GPA):

<tr>
<td>I</td>
<td>Incomplete. The &quot;I&quot; grade is used when, for reasons beyond her/his control and deemed acceptable by the instructor, a student whose academic performance had been satisfactory becomes unable to fulfill a course’s requirements. If the student’s academic performance had been so poor as to preclude her/his passing, the instructor shall assign the grade of &quot;F&quot;. Regulation VII., “Deficiencies,” outlines the removal of the &quot;I&quot; grade. See the Registrar’s Office website for more guidance on the use of the Incomplete grade under Incomplete grade page under the Faculty section.</td>

W            | Withdrawal without Penalty. Withdrawals from individual courses without penalty are not permitted after 60 percent of the academic term has passed, as specified by the official Academic Calendar, except in cases of hardship, as determined by the Undergraduate Institute Curriculum Committee or Graduate Institute Curriculum Committee, as appropriate. Withdrawal from the Institute is not permitted after 60 percent of the academic term has passed, except in cases of hardship, as determined by the Undergraduate Institute Curriculum Committee or Graduate Institute Curriculum Committee, as appropriate. With the exception of part-time graduate students, those who withdraw from the Institute and receive all grades of "W" customarily will not be permitted to enroll in courses in the next succeeding academic term. Regulation VII., “Withdrawal and Readmission,” outlines the Institute’s policies on readmission. Faculty are expected to return to students a graded assignment or other meaningful performance feedback prior to the deadline for withdrawing from classes so that students can make informed decisions about withdrawing. |

NR           | Not Reported. The "NR" grade is used when, by no fault of the student, the instructors fails to submit grades before the deadline. |

IJ           | Incomplete Judicial. The "IJ" is used when academic misconduct has been reported in a class and the investigation is being conducted. It is a placeholder grade that is changed to a permanent grade as determined by the outcome of the investigation. It remains in place until the charges are adjudicated and a proper final grade is determined and assigned. |

• Final grades are reported to the Office of the Registrar at the end of each academic term.

• Progress report grades are submitted to the Office of the Registrar for all classes numbered 1000 and 2000 in the Fall Semester and Spring Semester. These grades are used for advising students, not for calculating any grade-point average (GPA) at Georgia Tech. Progress
Grading System

report grades are "S" or "U." A grade of "U" indicates that, based on
the work completed to that point in the academic term, the student’s
standing is in the "D" or lower range. Progress report grades must
be submitted once 40 percent of the academic term has passed,
as specified by the official Academic Calendar. The due date for
reporting will be noon on Monday and the grades will be available to
students that afternoon.

- If a final course grade is believed to be erroneous, the student should
  contact the professor as soon as possible. In general, no change of
  grade will be made after the end of the student’s next academic term
  in residence.

Academic Average

The “academic average,” or grade-point average (GPA), is the ratio of total
quality points earned to total credit hours attempted.

When a student passes a course, she/he receives the designated number
of credit hours; at the same time, she/he receives a certain number of
quality points, based on the letter grade earned. Multiply the number of
credit hours designated to the specific course by the numerical value of
the letter grade earned to determine the number of quality points earned.
Letter grades carry the following numerical values:

- "A" = 4
- "B" = 3
- "C" = 2
- "D" = 1

For example, when a student earns a letter grade of "C" in a 3-credit-hour
course, she/he receives 6 quality points.

Grade-point averages are truncated after two decimal places.

If a student takes the same course more than once, any later grade
does not replace any earlier one. The academic average includes both
attempts, unless a grade substitution has been approved and processed.

If a student takes a course on a Pass/Fail basis, the course is not
included in her/his academic average.

For undergraduate students, the academic average is calculated by
summing the number of quality points earned by the student for all
courses in which she/he has enrolled as an undergraduate and dividing
this sum by the number of credit hours designated to all courses in which
she/he has enrolled as an undergraduate.

For graduate students, the academic average includes only the courses
in which the student has enrolled after her/his entrance into the graduate
division.
