Undergraduate Embedded Certificate requirements:

<table>
<thead>
<tr>
<th>Code</th>
<th>Title</th>
<th>Credit Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>12 hours beyond RUSS 2001</td>
<td>1,2,3,4,5</td>
<td>12</td>
</tr>
</tbody>
</table>

1. Students may transfer a maximum of six (6) credit hours towards the certificate requirements with the approval of the Director of Undergraduate Studies.
2. Students may also apply a maximum of six (6) credit hours of special topics courses towards the certificate.
3. All courses counting toward a certificate must be taken on a letter grade basis, and a grade of C or better must be received in each course.
4. Additional requirements and information about undergraduate certificate programs can be found on the Certificate requirements (http://catalog.gatech.edu/policies/certificate-guidelines/undergraduate-certificate-guidelines/) page.
5. Students in their last semester before graduation should submit the Certificate Request form to have their certificate prepared for them.
