In addition to the guidelines listed below, you are responsible for reviewing and following the general guidelines for minors: [http://www.catalog.gatech.edu/academics/minorguide.php](http://www.catalog.gatech.edu/academics/minorguide.php)

The Computer Science – Media track minor must comprise at least 19 semester hours of computer science coursework of which at least 9 hours must be at the 3000 level or higher. **Prerequisite for the minor is CS 1331—prerequisite must be taken but not included in the required 19 hours.**

A. A CS Minor application is required.
B. **Required courses:** CS 1332, CS 2110 or 2261, CS 2340, CS 3451, and two CS courses from Media Technologies.
C. ECE students with credit for ECE 2035 and either ECE 2020 or ECE 2030 may substitute one CS 3000/4000 level Media Thread course for CS 2110 and complete the minor with 18 hours instead of 19.
D. No Special Problems or Internship coursework may be used towards the CS minor.
E. A grade of A or B is required for CS 1301/1315/1371 and CS 1331. All other minor courses must be completed with a grade of C or higher.
F. Only CS courses are included in the minor.

It is the **major advisor’s responsibility** to verify that students are not using any courses required by name and number for their major, that they are not using any core area A-E courses (including humanities and social sciences), and that they are not using any courses for more than one minor or certificate. Free electives may be used towards minors.

A maximum of 3 semester hours of transfer credit may be used to satisfy the course requirements for a minor. This includes courses taken at another institution or credit earned through the AP or IB program, assuming the scores meet Georgia Tech minimum standards.
