

ENGLISH AS A SECOND LANGUAGE

The mission of the Georgia Tech Language Institute (GTLI) is to empower learners to reach their full potential through improved communication skills in English. The Language Institute has delivered high-quality, practical English language instruction for more than sixty years to a wide range of learners: matriculated international students; international scholars and postdocs; students preparing for academic work in the U.S.; professionals looking for career improvement through better language skills; learners seeking an exchange experience in the U.S.; and people wanting to increase their English proficiency for social reasons.

With its full- and part-time programs offered remotely and face-to-face, the Language Institute is a center for lifelong learning in communication and cross-cultural understanding.

Course options include:

- Intensive English Program (IEP)
- Certificate Program in Cross-Cultural Communication for Professionals
- Credit and non-credit communication courses for international graduate students
- Short Courses
- Online On-Demand courses
- Customized Programs
