

ENGLISH PROFICIENCY FOR INTERNATIONAL STUDENTS

Georgia Tech requires that all applicants demonstrate proof of English language proficiency at the time of application. International applicants from countries in which English is not the primary native language must demonstrate proof of English language proficiency by providing one of the following:

- **Proof of citizenship from an approved country, or**
- **Transcript from a regionally accredited (or international equivalent) university or college located in an approved country reflecting full-time enrollment in coursework for a minimum of one academic year (two semesters or three quarters), or**
- **Successful completion of GTLI Upper Advanced 700 Level Intensive English Program**

Applicants who do not meet any of the above listed criteria will be required to submit a valid test score as outlined below. A score is considered valid if it meets the Institute's minimum requirement for admission and is less than two years old from the date of the exam; scores must be valid at the start of the term in which you will matriculate.

The minimum scores required by Georgia Tech for graduate admission are listed below.

- **International English Language Testing System (IELTS - Academic)**
 - Reading: 6.5
 - Listening: 6.5
 - Speaking: 6.5
 - Writing: 5.5
 - Overall Band Score **7.0**
- **Test of English as a Foreign Language (TOEFL)**
 - TOEFL iBT ≥ 90 iBT with minimum section scores of 19 or higher, or
 - TOEFL pBT ≥ 577

Please note that meeting Georgia Tech's minimum scores does not guarantee admission since some graduate programs have higher score requirements. Applicants should review the Degree Programs | Graduate Education (gatech.edu) to determine the requirements of each graduate program prior to applying.
