AUDITING

1. The auditing of a course will be permitted to regularly enrolled
   student who has obtained the approval of their advisor and the
   departments concerned. Such a course counts at full value in
   computing the student's course load for an academic term.

2. The grade of "V" (i.e., "Visitor") is earned when a student audits
   a course. The "V" grade has no effect on a student's grade-point
   average (GPA).

3. No academic credit is granted for auditing a course.

4. Students are not permitted to change to or from an auditing
   status except through the regular procedures for schedule change
   or withdrawal. Any student who does not meet the instructor's
   requirements for a successful audit will be withdrawn with a grade of
   "W" assigned at the end of the academic term.
