2. Complete a 15-week internship or similar experience of at least 10 credit hours per week at an international organization such as consulate, CNN International, etc. The internship must be approved in advance.

Students must complete 39 hours of upper division (3000/4000-level courses). Fifteen hours of the free electives, language, or technology requirements must be upper division (3000/4000-level coursework).

For all language courses, the language of instruction must be the same as the language of learning. English-taught culture courses will not apply to language requirements.
