Undergraduate Embedded Certificate requirements:

Code	Title	Credit Hours
12 hours beyond GRMN 2001 [1,2,3,4,5]		12

[1] Students may transfer a maximum of six (6) credit hours towards the certificate requirements with the approval of the Director of Undergraduate Studies.

[2] Students may also apply a maximum of six (6) credit hours of special topics courses towards the certificate.

[3] All courses counting toward a certificate must be taken on a letter grade basis, and a grade of C or better must be received in each course.

[4] Additional requirements and information about undergraduate certificate programs can be found on the Certificate requirements page.

[5] Students in their last semester before graduation should submit the Certificate Request form to have their certificate prepared for them.
